The Hon'ble Sri M. Bhaktavatsalam,
Minister for Public Works,
MADRAS.

Dear Sri Bhaktavatsalam.

In connection with the rural electrification scheme, work has been in progress. Completion is impeded on account of lack of materials. I have sent a list to Hon'ble Sri A.B. Shetty which I am sure he will pass on to you or furnish a copy.

In view of the visit of H.E. the Governor at Bantwal (it is the native place of Mrs. Mallaya and myself) for switching on Jog power atleast 150 small scale phase meters are urgently wanted. Else there will be some sort of dissatisfaction expressed by the people. I wish to avoid it at any cost. Could you not kindly see issue instructions to have this done? With regard to other materials also the matter is equally important and urgent. I shall be glad and grateful if you should kindly treat this request of mine as urgent and issue instructions.

With kind regards,

Yours sincerely,
B. Vaikunta Baliga

Ref: C.No 96/54-55. Date 24-9-'56.

Sir,

Sub: Supply of meters - Orders requested-

In confirmation of my telegram dated 24-9-'56, which reads -" Divisional Engineer refuses connections ; No meters. Please dispatch meters urgently or permit connections without meters temporarily. People seriously disappointed" - I regret to bring to your kind notice that many house holders who had already completed their electrical fittings even prior to the inaugural ceremoney of switching on electrical power to this place by H.E. the Governor of Madras on 22-9-'56, thinking that they would surely receive the connections on the due date are greatly disappointed as they did not get the same for want of meters.

I have received a memorandum from the public of this place requesting me to move the authorities concerned in order to solve their difficulty. Any delay to supply meters to these people who had already invested a bit of their hard savings on these costly fittings in their hour of joy to avail his modern amenity so kindly granted by you, will be hardly hit up and disappointed.

Hence under the circumatances, I earnestly request you to pass orders for the supply of at least 25 meters to Bantval so that the urgent need of the people is served in time.

Yours Faithfully,

B. Venkatesh Baliga
